CERES CERTIFICATIONS INTERNATIONAL

You have a true friend in the industry.

CCI has been serving the produce industry since 2001 and services the produce community with a Harmonized Audit that has grown to become one of our flagship programs. CCI also offers PrimusGFS, GlobalGAP and Primus Standard audits, and many additional services.

CCI has exceptionally competitive pricing for all our products, an audit that is robust while being fair and square, and auditors that want to help you feel that the audit is a win-win for all parties. Call us and find out, **"You have a true friend in the industry."**
